| Complaints and Appeals Process | Magill College Sydney seeks to provide learning in a supportive and fair environment with a policy and procedure in place to allow students to lodge a formal complaint or appeal if the matter cannot be resolved informally. Informal Complaints Resolution Procedures Students are encouraged to resolve concerns or difficulties directly with the person(s) concerned in the appropriate manner to reach a solution agreeable to all parties. Minor issues of concern would also be documented as soon as they are addressed and/or resolved to the satisfaction of all parties concerned. Students may discuss any informal issues related to their course with their Trainer, Principal, the Administration Manager or any other administration staff whom they feel comfortable to discuss the matter with as part of the informal complaints resolution process. The Administration Manager or the Principal will provide students with counselling, if required. Formal Complaints/Appeal Resolution Procedures If students cannot resolve a complaint through informal discussions or wish to appeal against a decision made by Magill College Sydney or its staff, students may lodge a formal complaint or appeal. Where students lodge a formal complaint or appeal, they are expected to maintain their enrolment throughout the appeal process, and they are informed that they must continue their course and attend all classes while their appeal is being considered and finalised. No fee is charged for a student to lodge a complaint or an appeal. Stage One If the matter is not resolved, students will be given an option to proceed under a formal complaints process as explained below. The initial contact person/counsellor (i.e. the Principal or the Administration Manager) may assist the student with the <u>Student Complaint Form</u> (if the student requires assistance). This completed form |

<u>78</u> (+612) 8061 6980

- 🔶 info@magill.edu.au
- www.magill.edu.au

must be submitted to the initial contact person/counsellor either via email (Email: <u>admin@magill.edu.au</u>), in person (during normal business hours – Monday to Friday between 9am and 5pm) or by mail (addressed to: The Administration Manager, Magill College Pty Ltd, Level 4, 388 Sussex Street, Sydney, NSW 2000).

- 1. Receipt of the completed form will be acknowledged within two (2) working days and the complaints process will commence within ten (10) working days from the date of receipt of the complaint.
- 2. The College Principal or his nominee ("the College Representative") will then, if necessary, seek to clarify the issues in the complaint and provide an objective outcome.
- 3. When such clarification occurs in a face-to-face interview with the complainant, he/she would have an opportunity to formally present his/her case and he/she has the right to have a witness and/or support person present at any stage of the relevant complaint resolution meetings.
- 4. The College Representative will then endeavour to resolve the issue objectively with details provided in writing to the complainant within twenty (20) working days, including the outcomes and the reasons for the decision.
- 5. In straightforward cases, the signed <u>Student Complaint Form</u> is used as written evidence of the outcome of the complaint including reasons and steps that will be taken to address the complaint. However, in more complex cases, the student will be provided with a written complaints report of the outcome. This report will include the details of any actions and clearly state the reasons for the decision made and it will be provided to the student within twenty (20) working days.

Stage Two

- If the complainant is dissatisfied with the outcome of the Stage One Complaints Resolution Procedure, or their concerns remain unresolved, he/she has the option to proceed with an appeals process. The Administration Manager may assist the student with the Student Appeals Form, if the student requires assistance. This form must be submitted to the Administration Manager either via email (Email: admin@magill.edu.au), in person (during normal business hours Monday to Friday between 9am and 5pm) or by mail (addressed to: The Administration Manager, Magill College Sydney, Level 4, 388 Sussex Street, Sydney, NSW 2000).
- 2. Receipt of the completed form will be acknowledged within two (2) working days and the appeals process will commence within ten (10) working days from the date of receipt of the complaint.
- 3. The College Principal or his nominee ("the College Representative") will then, if necessary, seek to clarify the issues in the appeal and provide an objective outcome.
- 4. When such clarification occurs in a face-to-face interview with the appellant, he/she would have an opportunity to formally present his/her case and he/she has the right to have a witness and/or a nominated support person present at any stage of the relevant appeal resolution meetings.
- 5. The College Representative will then endeavour to resolve the issue objectively with details provided in writing to the appellant within twenty (20) working days, including an outline of the appeal outcomes and the reasons for the decision.
- 6. In straightforward cases, the signed <u>Student Appeals Form</u> is used as written evidence of the outcome of the Appeal, including reasons and steps that will be taken to address the Appeal's outcomes. However, in more complex cases, the student will be provided with a written Appeal Report that documents the outcome of the Appeal. This report will include the details of any actions, clearly stating the reasons for the decision made and it will be provided to the Appellant within twenty (20) working days.

Stage Three

Depending on the type of complaint, if the appellant is dissatisfied with the outcome of Stage One of the Complaints Resolution Procedure, or their concerns remain unresolved he/she has the option to contact the **Overseas Students Ombudsman** for an external appeal by referring to <u>https://www.ombudsman.gov.au/about/how-we-can-help-you</u> or calling 1300 362 072.

In most cases, the purpose of the external appeals process is to consider whether Magill College Sydney has followed its policies and procedures – it is not to make a decision in place of Magill College Sydney.

<u>A description of the ESOS framework—providing</u> <u>quality education and protecting your rights</u>

The Australian Government wants overseas students in Australia to have a safe, enjoyable and rewarding place to study. Australia's laws promote quality education and consumer protection for overseas students. These laws are known as the ESOS framework and they include the *Education Services for Overseas* (ESOS) *Act* 2000 and the National Code 2018.

Protection for overseas students

As an overseas student on a student visa, you must study with an education provider and in a course that can be found on the Commonwealth Register of Institutions and Courses for Overseas Students (CRICOS) at http://cricos.education.gov.au. CRICOS registration guarantees that the course and the education provider at which you study meet the high standards necessary for overseas students.

Please check carefully that the details of your course - including its location - match the information on CRICOS.

Your rights

The ESOS framework protects your rights, including:

- your right to receive, before enrolling, current and accurate information about the courses, fees, modes of study and other information from your provider and your provider's agent. If you are under 18 (please note all students must be 18 years of age or above to be able to enrol in any of the Magill College courses), to ensure your safety, you will be granted a visa only if there are arrangements in place for your accommodation, support and welfare.
- your right to sign a written agreement with your provider before or as you pay fees, setting out the services to be provided, fees payable and information
 about refunds of course money. You should keep a copy of your written agreement.

The Tuition Protection Service (TPS) is a placement and refund service for international students, which is activated in the event that your provider is unable to teach your course. Visit the TPS website for more information, at <u>www.tps.gov.au</u>

The ESOS framework sets out the standards Australian providers offering education and training services to overseas students must meet. These standards cover a range of information you have a right to know and services that must be offered to you, including:

- orientation and access to support services to help you study and adjust to life in Australia
- who the contact officer or officers is for overseas students
- if you can apply for course credit
- when your enrolment can be deferred, suspended or cancelled
- what your provider's requirements are for satisfactory progress in the courses you study and what support is available if you are not progressing well
- if attendance will be monitored for your course, and
- a complaints and appeals process.

One of the standards does not allow another education provider to enrol a student who wants to transfer to another course, but has not completed six months of the final course of study you plan to undertake in Australia. If you want to transfer before you have completed six (6) months of your final course, you need your provider's permission.

Your responsibilities

As an overseas student on a student visa, you have responsibilities to:

- satisfy your student visa conditions
- maintain your Overseas Student Health Cover (OSHC) for the period of your stay
- meet the terms of the written agreement with your education provider (i.e. Magill College Sydney)
- inform your education provider if you change your address
- maintain satisfactory course progress
- if attendance is recorded for your course, follow your provider's attendance policy, and
- retain a copy of the written Agreement ("Letter of Offer and Student Agreement"), as provided by Magill College Sydney, and copies of receipts of any payments
 of tuition fees or other non-tuition fees made, as applicable.

 The Letter of Offer and Student Agreement is an agreement between the College and the student. Students are required to read and acknowledge that they understand and agree to abide by the conditions of the Agreement. It must be signed and dated prior to commencement of studies to
- confirm the student's acceptance of the Terms and Conditions of their enrolment;
 4. The Agreement is then signed by an authorised officer of Magill College Sydney and students are then required to make the payment according to their course selection;
- 5. Upon request, the receipt of tuition fees paid by the student will be issued to the student for all payments made. Once all documents are received and checked against the **Student Documents Checklist** a Confirmation of Enrolment (CoE) will be generated and forwarded to either the student, or their acting agent, or both; and
- 6. The individual student's file will be created and contain relevant information and documentation. A written notification of orientation will be emailed or posted to the student, or their acting agent, or both. Students are advised that upon request they are entitled to obtain copies of all documentation that is contained in their student file.

Pre-payment of Tuition Fees

The initially paid tuition fees are placed and kept in the College's designated account (Magill College Student Account) until a student commences study. This course of action is there to demonstrate that the funds held in the designated account are sufficient to cover tuition fees of all non-commenced students.

There are limits on tuition fees that can be paid in advance that Magill College Sydney can collect before a student commences a course. Under the current rules, Magill College is not allowed to insist on collecting more than 50 per cent of the total tuition fees for the whole course before the student commences, unless the course is 24 weeks or less in duration, in which case 100 per cent of the total tuition fees can be received. After the student commences the course Magill College cannot require any remaining tuition fees to be paid earlier than two (2) weeks prior to the commencement of the student's second study period.

Magill College Sydney will record the fee amount paid by the student in the Student Finance Information folder of the Magill College Sydney Quality Management System (QMS) database.

Fees Payment Schedule

Magill College Sydney issues student receipts upon request for the receipt of fees paid before the commencement of the course, including:

- (a) Tuition fees;
- (b) Enrolment fee (non-refundable); and
- (c) Any other compulsory fees (i.e. Material fee, OSHC).

Students may be entitled to use a fee payment scheme for payments of less than 50 per cent of the total tuition fees, which would be determined and authorised on a case-by-case basis.

Students who are authorised to use a Payment Plan are required to pay fees on or before the first day of attendance of each study period for which the fees become due.

Failure to make a payment by the Tuition Fee **Due Date** will incur an Overdue Tuition Fee charge of A\$ 200.00, and if non-payment of the tuition fees continues, the College will notify the student in writing of its intention to report the student to the Secretary of the Department of Education (DoE) through PRISMS. This action will automatically alert the Department of Home Affairs (DHA), which may lead to the cancellation of the student's visa.

Tuition Protection Service (TPS)

The Tuition Protection Service (TPS) is a placement and refund service for international students. The TPS is an insurance cover which aims to place students that are affected by closures of education providers in an alternative course of study first, with refund payments provided as a last resort only.

The TPS gives students greater control and responsibility within the placement process by allowing students to make a choice from available alternative course placement options. A greater flexibility for students to decide about their future course placement, following the closure of an education provider, should lead to a more efficient and effective outcome for students and the sector as a whole. Students should also benefit from quicker placements, or refunds where necessary, and a smoother transition to a new education provider.

The expectation is that students who are affected by the closure of an education provider will accept an alternative course, if one is available, for which they meet all the entry requirements, and for which there is no cost disadvantage to them. However, the student is not compelled to accept an alternative course and they would be eligible for a refund of the **unused portion of the tuition fees**. The student will need to confirm the possible implications that a change of education provider may have on their student visa with DHA. However, other options might include an enrolment in a different course under a different visa stream sector, or a return to their home country.

Students are advised to contact Immigration to seek advice on any potential impacts on their visa, including the need to obtain a new visa.

In a situation where a student cannot find an alternative course during the placement period the student is eligible to request a refund of the **unused portion** of the tuition fees from TPS.

Magill College Sydney Refunds (General)

All refund requests and withdrawal requests **MUST** be lodged in writing and addressed to the Principal using the **Document Request Form** which is available from the College Reception and/or the Administration Office.

Upon approval by the Principal, all refund requests will be processed according to the **Student Refund and Cancellation Policy - Refunds of Tuition Fees** within fourteen (14) or twenty-eight (28) days of receipt of the Document Request Form. Magill College Sydney will provide the student with a statement giving a full explanation of how the refund was calculated.

Magill College Sydney may arrange for another course, or part of a course, to be provided to the student at no cost to the student as an alternative to refunding the **unused portion of the tuition fees**. A student has the right to choose whether he/she would prefer a refund of the **unused portion of the tuition fees**, or to accept a place in another course. If a student chooses placement in another course, Magill College Sydney will ask the student to sign a new **Letter of Offer and Student Agreement** to indicate that he/she accepts the placement in the new course. If the student agrees to exercise this option, Magill College Sydney is no longer obliged to refund the money owed for the original enrolment.

Student Refund and Cancellation Policy – Refund of Tuition Fees Magill College policy on the refunds of tuition fees has been determined in accordance with the ESOS Act 2000 (as amended), and its accompanying regulations, and it applies to all commencing overseas students. This and other information may be provided to the Australian Government (ASQA, Department of Education, DHA) as well as their successors and, if relevant to the enquiry, the Tuition Protection Service (TPS) Director in relation to administering the ESOS Act 2000, the National Code 2018 and/or the Migration Act (as amended). This agreement, and the availability of complaints and appeals processes, does not remove the right of the student to take action under Australia's consumer protection laws. Magill College Sydney may, at its absolute discretion, refund some or all course fees where it determines that there are extenuating or compassionate circumstances. All requests for a refund must be made in writing by the student(s) and submitted to Magill College Sydney together with any supporting documentation, if applicable. In the case of a student visa refusal and/or student default, refunds will be made within four (4) weeks after the default day (section 47E (3) of the ESOS Act 2000) and after receiving a written claim from the student. This will include a statement explaining how the refund was calculated. In the case where a student is enrolled in an ELICOS course at Magill College Sydney and has the permission to transfer their enrolment into the College's VET courses, an unused portion of the prepaid course fees will be transferred to pay for the subsequent VET course(s). 1 Student Visa refusal - Written documentation of the student visa refusal must be provided by the course applicant to Magill College Sydney. If a student has been refused a student visa and fails to start the course on the commencement date, or withdraws from the course on or before the commencement 1(a) date, the prepaid course fees will be refunded in full minus the lesser of 5% of the amount of prepaid course fees received in respect of the student for the course before the default day, or the amount of A\$ 500.00. If a student has been refused a student visa but has already commenced the course, a pro-rata refund of the unused portion of the tuition fees after the default date to the end of the period to which payment was made in relation to their refusal/rejection of their student visa application will be granted to the student after receiving a 1(b) written claim from the student. However, the Enrolment Fee of A\$ 200.00, accommodation placement and airport pick-up fee are non-refundable and a A\$ 300.00 change of enrolment processing fee, in addition to a A\$ 200.00 cancellation fee applies per CoE. Student default - Occurs where an overseas student does not commence a course, or withdraws from a course as defined in section 47A (1) of the ESOS Act 2000. The 2 student is required to provide written notice to Magill College Sydney for the course cancellation. The refundable amounts (including Package Courses) are as follows: 75% of the tuition fees at the time of cancellation with more than 28 days' written notice prior to the course commencement date. However, the Enrolment Fee of A\$ 2(a) 200.00 is non-refundable and a A\$ 300.00 change of enrolment processing fee, in addition to a A\$ 200.00 cancellation fee applies per CoE. 50% of the tuition fees at the time of cancellation with less than 28 days' written notice prior to the course commencement date. However, the Enrolment Fee of A\$ 2(b) 200.00 is non-refundable and a A\$ 300.00 change of enrolment processing fee, in addition to a A\$ 200.00 cancellation fee applies per CoE. No refund of the tuition fee is granted at the time of cancellation on or after the course commencement date. To avoid any doubt, no refund will be paid to the student 2(c) if the student withdraws from the course either on or after the agreed commencement date and a A\$ 300.00 change of enrolment processing fee, in addition to a A\$ 200.00 cancellation fee applies per CoE. No refund is granted where Magill College Sydney terminates an enrolment due to a student failing to satisfy course requirements relating to course progress and academic performance or misconduct or unsatisfactory attendance and has no further right of appeal within the College, in accordance with the obligations of the student 2(d) under the student visa regulations. No refund is granted where Magill College Sydney terminates an enrolment due to a student failing to pay an amount he/she was liable to pay the College, directly or 2(e) indirectly, to undertake the course. No refund is granted where Magill College Sydney terminates an enrolment due to a student supplying incorrect, fraudulent or misleading information or documentation 2(f) to the College. No refund is granted where Magill College Sydney terminates an enrolment due to a student misbehaving (i.e. consuming drugs, alcohol or smoking anywhere on campus) and causing problems for other students, staff, the College's reputation and its relationship with other organisations (such as building management) or for breaking laws 2(g) in New South Wales and elsewhere in Australia. This does not affect the student's rights to access the College's complaints and appeals processes. Provider default - Occurs where the registered education provider fails to provide a course or ceases to provide a course to an overseas student in accordance with section 46A (1) of the ESOS Act 2000. Reimbursement in the case of provider default is within two (2) weeks of the default day occurring to the student (section 46D (2) 3 of the ESOS Act 2000) and will include a statement explaining how the refund was calculated. In the unlikely event that Magill College Sydney is unable to deliver a course in full; a student will be offered a refund of the unused portion of the tuition fees that they 3(a) have paid to the College. Alternatively, a student may be offered enrolment in an alternative course by Magill College Sydney at no extra cost to the student. A student has the right to choose whether he/she would prefer a refund of the unused portion of the tuition fees, or to accept a place in another course at the College. If a student chooses placement in 3(b) a new course, Magill College Sydney will ask the student to sign a new Letter of Offer and Student Agreement to indicate that he/she accepts the placement in the new course. If Magill College Sydney is unable to provide a refund, or place a student in an alternative course, the Tuition Protection Service (TPS) will assist the student in finding an alternative course. If a registered education provider of an alternative course offers the student a place in the course, the student may accept the offer in writing within 3(c) thirty (30) days of the provider obligation period ending, unless the period is varied by the TPS Director. The TPS will transfer any unused portion of the tuition fees to the new registered education provider. If there are no suitable alternative courses or course offers, the student may apply for a refund to TPS for the amount of any unused portion of the tuition fees that the 3(d) student has paid to Magill College Sydney. These fees are any tuition fees that the student has already paid and that are directly related to the course for which the tuition has not yet been received by the student.
